Verse 1

All who thirst, taste and see
The way prepared to set you free
His yoke is easy, His burden light
His children cared for, in His sight

Verse 2

In all things, He holds true
Though we stray, He will not move
His love abundant, arms secure
A gentle Savior, His grace assured

Chorus

Sing His name, sing His praise
all our days
Sweet is His word, good are His ways
See the stars in the sky, they testify
Glory of heavn', beauty divine
Behold your God, behold your God
Sing His praise

By His wounds, we are whole
By His blood we're healed in full
Abiding with us, the Prince of Peace
By His mercy, sin's power ceased

Bring your need
For your Shepherd sees
You'll find rest for your soul
Bend your knee
To your Shepherd King
You'll find rest for your soul
Bend your knee
To your Shepherd King
You'll find rest for your soul
